

NATIONAL LEADERSHIP PROGRAM FOR WOMEN IN THE TRADES

PARTICIPANT GUIDE

WELCOME

Participants in the National Leadership Program for Women in the Skilled Trades will be guided through five modules by subject matter experts. They will learn effective strategies and gain practical tips to empower them as leaders in their workplaces and in the broader skilled trades community.

PROGRAM OUTCOMES

This program provides you with tools and resources to develop skills required to advance in your career. It offers an opportunity to network with like-minded individuals and set yourself apart within your industry.

Your Commitment

To be successful in this program, each participant is required to complete the course work and assignments for each module. The goal is that participants obtain leadership skills that employers will recognize. Active participation and keeping to course time lines are key.

Our Commitment to YOU

CAF-FCA is committed to delivering engaging and purposeful content as you develop your skills. We will support your learning journey in a way that is meaningful and helpful. We are committed to your success.

A Successful Journey

Each module will take an estimated six to eight hours to complete. Learning materials and content will be provided through the online platform. Throughout the program, you will be asked to share your thoughts and reactions in discussion posts and journal entries. A facilitator and coach will be available to support you in each module and your participation and opinions are valued throughout the course.

The program culminates in a final presentation which refers to course content. This can be delivered in a format that best suits your learning needs (written, video, PowerPoint, etc.). To successfully complete the program, all five modules must be completed.

PROGRAM ACADEMIC STANDARDS

Plagiarism and Academic Misconduct

As a participant in this program, you are required to certify that your assignment/report is your own work and is based on your own research. You must clearly identify all the materials and sources you use in all your work: books, articles, reports, lecture notes, websites, and any other kind of reference document, or electronic or personal communication. Using other people's material as if it is your own work is called plagiarism and is unacceptable in this program.

Completion of Assignments

Assignment due dates are fixed. Please plan and use your time carefully. All participants have other responsibilities and therefore, it is important to stay organized to make sure that all your course requirements are completed on time.

Mandatory online workshops are scheduled on Sundays to ensure that participants in full-time employment can attend. They are also timed to accommodate participants in different time zones across the country.

Withdrawal From Program

If for any reason you choose to withdraw from the program, you must do so in writing.

LEARNING PLATFORM

To access all the curriculum content, approved participants will receive credentials for access to all curriculum content at: leadership-modules.caf-fca.org. A link to a forum will be provided for discussion and posts related to your program and will be monitored by facilitators. Instructions regarding how to upload the final assignment will be provided.

ABOUT THE CANADIAN APPRENTICESHIP FORUM

The Canadian Apprenticeship Forum – Forum canadien sur l'apprentissage (CAF-FCA) is a national, not-for-profit organization working with stakeholders in all regions of Canada. We influence pan-Canadian apprenticeship strategies through research, discussion and collaboration. Insights are shared across trades, across sectors and across the country to promote apprenticeship as an effective model for training and education. Our Board of Directors includes representatives from business, labour, the jurisdictional apprenticeship authorities, education and equity-seeking groups. Through our work, CAF-FCA has shed light on a number of key issues affecting apprenticeship, such as the perceived barriers to accessing and completing apprenticeship and the business case for apprenticeship training.
